

Adding a Service to your existing My Family Lounge Account

**Narnia
Early Learning**
FOR THE WHOLE OF LIFE

If you have an existing My Family Lounge account (if you have a child/ren who attend Saints Academy and have used the same email address for your Narnia enrolment you will already have a My Family Lounge account) you must link your existing account to Narnia. Do not create a new account.

To link your existing account to Narnia,

1. Sign into your My Family Lounge online account;

[SIGN IN](#)

2. On the Enrolment management page select the Narnia Service that you will be attending from the drop-down list at the top of the page.

If your child is already enrolled at Narnia you will be now able to access your enrolment page for Narnia – this will be partially prefilled with some enrolment information. You will be required to check this before you accept any new bookings and prior to 2027.

If your child is not already enrolled at Narnia, you can now add your child's details and follow the instructions to make a booking request.

Please note that all enrolment details will not automatically transfer from other services your child has been enrolled in. You will be required to complete the usual enrolment and request process at Narnia, including setting up your Child Care Subsidy enrolment.
