JANUARY TIERED FEES TO BE COMMUNICATED

New Saints Academy Vacation Program Fee Structure

RESTRUCTURING OUR FEES TO ALLOW PARENTS TO SAVE MORE

We're excited to share an important update about our upcoming Vacation Program that will make utilising Saints Academy more affordable for all families. Introducing, our tiered fee structure, with no extra costs!

This new model is designed to offer greater flexibility and affordability, ensuring that more families can benefit from our care options.

What's changing?

- Our Vacation Program fees will now be structured in tiers based on the activity for the day.
- Child Care Subsidy (CCS) can now be applied to all program costs, including incursions and excursions, helping to significantly reduce out-of-pocket expenses.
- For families on Additional Child Care Subsidy (ACCS) there will be no out of pocket expenses for Vacation Program Bookings.

Please see expanded email communication where you can find some examples comparing out of pocket costs for parents under the new fee structure. These will be different for each family depending on their Child Care Subsidy entitlement.

We're committed to supporting your family's needs during the school holidays and hope this new structure makes a positive difference.

Please note, we also now require bookings to be made 7 days in advance for our Vacation Programs and have a 7 day cancellation period. We encourage you to make bookings in advance to secure your spot. If a late booking is needed after the 7 day period, please contact your service and we will endeavour to support you.
