Uniform Policy

St Philip's Christian College is committed to maintaining a high standard of school uniform. The uniform is a symbol of the College's commitment to excellence. It is standard across all the St Philip's Christian College schools. Our school uniform represents that we are united as a community across the different locations. It is also an outward sign of self-discipline for our students, which can be respected in the wider community.

All students are required to wear the appropriate complete school uniform. The exception is when there is a special occasion (e.g. certain excursions), and the exemption will be communicated in writing to the students and their families. The uniform should fit neatly and be kept to a satisfactory standard. The College's interpretation of what is a satisfactory standard is final. Students not complying with the policy will be required to accept the appropriate consequence.

Uniforms are to be worn seasonally. No parts of the St Philip's Christian College uniforms are interchangeable (e.g. no mix and match of formal uniforms and sports-wear) with the exception of long pants (boys) or black slacks (girls MS & SS) being worn in the summer months if desired.

Uniform items should be replaced when excessively faded, torn (unless tidily repaired), worn or undersized. Students wearing uniform off-campus (travelling to and from school, shopping after school, on excursions, etc.) are expected to remain in complete uniform for the duration of the travels, and they must strictly adhere to all grooming requirements.

As part of their commitment to our community, we expect students to:

- wear items of uniform as listed and described in the St Philip's Christian College Uniform Policy;
- not wear substitute items purchased elsewhere if they are normally available for purchase through the Uniform Shop;
- wear their uniform in a manner deemed by St Philip's Christian College to be reasonable and conforming to any guidelines as determined by the college.

Background - Why do I need to pay fees?

In Australia, there are two major groupings of schools - Government Schools and Non-Government Schools. Government Schools are supported by a combination of funding predominantly from the State/Territory Government and the Federal Government whilst Non-Government Schools are predominantly funded through their own resources, fees charged for students and funding from the Government. (Source: Aussie Educator 2012) Independent schools receive funding from both the Federal and State governments on a student per capita basis. State governments have primary responsibility for funding government (or public) schools, while the Federal Government directs most of its schools funding to non-government (Catholic and independent) schools.

On average, independent schools receive the majority of their income (approximately 60%) from fees, donations and fundraising within the school community. The remainder of their income comes from Federal Government recurrent (annual) grants and through targeted programs, such as those that assist students with special needs including disabilities, those from non-English speaking backgrounds or indigenous students (approximately 30%) and State funding (approximately 10%). (Source: Association of Independent Schools, NSW).

School Fees

College Fees are charged once at the start of the school year. Statements are issued to parents/care givers.

Voluntary Building Fund

College fees are used to meet the College's operational expenses. In order to build new buildings and maintain older buildings, the College is assisted by donations to the Building Fund. Families are invited to donate towards the betterment of our College. Donations can be made through our Foundation Office and are tax deductible. For more information please refer to our website.

Subsidies and Fee Assistance (Conditions apply)

It is acknowledged that some families may experience short term financial hardship over the period of enrolment at the College. We do not want this to be the primary reason for students being unable to attend or remain at St Philip's Christian College. For this reason, the College has a limited budget to provide assistance with fees to those in need. This assistance is reviewed annually. Financial Assistance forms are available on request and are treated as strictly confidential and reviewed by the Finance Committee.

All subsidised arrangements must maintain a regular payment plan.

St Philip's Christian College Port Stephens has partnered with specialist provider Edstart to make managing your school fee payments easier. Through Edstart Plus, the school is able to provide flexible payment options to all families for the payment of school fees:

Canteen

Our canteen, the Hunger Hut, is open each day. We use an online ordering system called Flexischools. A parent or guardian will need to register their students through the Flexischools app or website to order from the online menu.

JUNIOR SCHOOL STUDENTS can only order online through Flexischools for a canteen lunch. The Hunger Hut is not available for over the counter recess or lunch purchases.

MIDDLE & SENIOR SCHOOL STUDENTS can bring cash or a debit card to use at the Hunger Hut. This is great for buying snacks, however, we strongly encourage parents to order lunch items on flexischools, like sandwich/salad items and hot food, as most menu items are not available over the counter.

Saints Academy

An innovative new program in the after school space – where intentional and tailored learning is offered to children as an alternative to traditional after school care options.

As an emerging sector of St Philip's Christian Education, *Saints Academy* aims to create an intentionally unhurried learning environment where our student-centred adventures contribute to improved wellbeing and allow children and young people to master learning and skill development, through connection with the wider natural world, nurtured within a supportive Christian community. The opportunity to replace 'screen time' with 'green time' is increasingly important for children in today's society!

Student choice in four electives each day include:

ACTIVE CORE – sports and physical activity

ADVENTURE CORE – nature play and outdoor exploration

Absences and Leave

ABSENCES

- Parents are asked to telephone the College Office each morning their child is absent unless a letter of explanation has been provided.
- A note, email, or reply to SMS is required to explain the absence upon the child's return.
- The Education Act requires a note to be sent to the School promptly on the return of an absentee stating:
 - The reason for absence.
 - The dates of absence.
 - The note must be signed by a parent or guardian (not the student).
- Medical certificates may be required under certain circumstances.
- Unexplained absences are followed up on a weekly basis.
- Absence notes should be emailed to the Sub-school Administration and the Pastoral care teacher

LEAVE

- If a student will be absent for an extended period:
 - An Application for Extended Leave Form must be completed at least 2 weeks prior to leave commencing.
 - The form is available on the College Website.
- It may be appropriate to arrange for schoolwork to be set and undertaken during the period of absence.
- If leave is not approved and still taken, it will be recorded as unexplained for reporting purposes.

LATENESS

- Students arriving late to school must provide a note of explanation from their parents upon arrival.
 - This can be on paper, via email, SMS, or noted in the student's diary.
- All students must obtain a late note from reception or their sub-school office before going to class.

EARLY DEPARTURES

To ensure a smooth and safe process when a student needs to leave early:

- Advance Notice:** Families must notify the College in writing at least one day in advance. Please send this to the relevant sub-school administration
- Urgent or Last-Minute Departures:** If an early departure is due to an urgent or unexpected reason, please call the College reception as soon as possible. Making sure to allow time for the student to pack up and be ready for collection at the reception.
- Break Times:** Where possible, avoid collecting students during recess (10.50am - 11.10am) or lunch (12.50pm - 1.30pm) breaks, as this can make communication and coordination more difficult.

ILLNESS

- If a student becomes unwell at school:
 - They should notify their teacher and be sent to the Clinic in the Front Office.
 - School staff will care for the student temporarily.
 - The School will call if it is felt the student should go home.
- In an emergency or if families cannot be contacted:
 - External medical help may be obtained.
 - Parents are responsible for any fees incurred.
- If a student needs to take medication during the school day:
 - Caregivers must complete an authorisation form.
 - Medication and the form must be left at the Clinic.
 - Refer to the medication policy for more details.
- If a student contracts a reportable transmittable illness:
 - Inform the School upon diagnosis so we can monitor for further cases.
- In the event of hospitalisation:
 - Please inform the School.
- Note:
 - There are required absence periods for certain illnesses.
 - Refer to the [NSW Health Infectious Diseases website](#) for more information.

Opal Bus Passes

School Opal Cards

The School Opal card gives eligible school students free or subsidised travel on public transport between home and school on trains, buses, ferries and light rail in the Opal network.

Already have a School Opal card? Keep it for next year.

Don't throw out this year's School Opal card because eligible cards will be automatically updated for the new school year.

Don't forget a Child/Youth Opal card

It's important to remember that the School Opal card is only for travel to and from school on school days and doesn't cover travel to After School Care, school excursions, sport and other activities away from school, so it's a good idea to get a Child/Youth Opal card for personal travel.

Applying for a School Opal card

To apply for a School Opal card, you will need to live a minimum distance from your school to be eligible:

- Years K-2 (Infants) - No minimum distance.
- Years 3-6 (Primary) - 1.6km straight line distance or 2.3km walking or further.
- Years 7-12 (Secondary) - 2km straight line distance or 2.9km walking or further.

Who needs to apply?

You will only need to make a new application if:

- Applying for a School Opal card for the first time
- Changing name, school and/or address
- Enrolling in Kindergarten
- Requesting an additional pass as a result of a new shared parental responsibility
- (joint custody) situation.

If you do need to apply, the application must be made by a parent or legal guardian if you are under 16 years of age. If you are 16 years or older you need to complete and sign the application form yourself. Applications are subject to eligibility criteria.

You will need to update your application if you have a current School Opal card and:

- Your circumstances change, e.g. change of school, home address or school year outside of the usual progression.

Transport operators will allow a grace period at the start of the new school year to give time for you to receive your school Opal Card. Transport operators also show grace to students who may forget their card.
